Experience

Game Developer / Shrutz

Oct 2021 - May 2022

Single-handedly developed gameplay for an endless running android game **Murk** (including graphics, animations, screen UI and sound design).

- Built using **Unity** and **C#**.

Live on [Google Play Store](#)

Secretary / IEEE RIT

Jan 2022 - Dec 2022

Responsibilities included managing IEEE vTools, which is an online administrative platform for drafting the annual plan for the student branch and governing all the activities within it.

Skills

Languages and Libraries

C++, C#, HTML/CSS, JavaScript, React.js, Redux

Frameworks

Unity

Ethereum Tools

Solidity, Hardhat, Ganache CLI, Ethereum Virtual Machine, Remix, ether.js

Projects

Streaming App / [view](#)

It is a completely responsive site, integrated with **API** and built in **React**. You can browse movies and series and create your own list.

- Uses **Redux** for state management.
- **React Router** for configuring routes.
- **Tailwind CSS** for the UI and **Material UI** for the icons.
- Stores state in the local storage using **Redux Persist**.

UI Components / [view](#)

It is collection of components which are animated using **SVG** and **CSS animations**, built using **React**.

Netflix Clone

Clone of the Netflix site using **Netflix API** from Rapid API. Uses **Redux** and **React Router**.

Wave portal

It is a simple profile site where you can request test ethers after every 10 minutes, by connecting your Ethereum wallet.

- UI - **React**

Voting application

It is a decentralized application that can be used for casting and recording votes. The user can connect his wallet and vote for his preferred candidate once.

- Blockchain Functionality - **Hardhat** & **ether.js**
- UI - **React**

Portfolio site / [shrutz.xyz](#)

A clean looking profile site built with **React** showcasing projects and resume.

Website for game / [shrutz.com](#)

Website made with pure **HTML**, **CSS** and **JavaScript** to promote the game MURK.

Education

Ramaiah Institute of Technology / B.E. in Electronics

2019 - 2023

CGPA : 9.42
